Gangs dominate the intersection between crime and war. Traditionally viewed as criminal enterprises of varying degrees of sophistication and reach, some gangs have evolved into potentially more dangerous and destabilizing actors. In many areas across the world—especially

Future Conflict: Criminal Insurgencies, Gangs and Intelligence

"Too many books on global crime are just a collection of anecdotes and 'war stories' that contribute little to our thinking on what to do about this growing threat. In these pages, Christine Jojarth provides sound analytical foundations on which to base what is an indispensable policy debate. This is one of the most rigorous books on this subject."
