Definition: Poverty trap is a spiraling mechanism which forces people to remain poor.It is so binding in itself that it doesn't allow the poor people to escape it. Poverty trap generally happens in developing and under-developing countries, and is caused by a lack of capital and credit to people.

What is Poverty Trap? Definition of Poverty Trap, Poverty ...

Few of Britain's myriad ethnic groups have been written about as much as its Muslim community, especially Pakistani-origin Muslims, who have been a subject of a series of critical books. And, interestingly, most have come from their own peers — Ed Husain, Sayeeda Warsi, Sara Khan, among others ...

Stuck in an identity trap | Business Standard News

An open-end fund is a mutual fund that can issue unlimited new shares, priced daily on their net asset value. The fund sponsor sells shares directly to investors and buys them back as well. more

Mutual Funds vs. Hedge Funds: What's the Difference?

There are many things in life that are effortlessly simple and yet we tend to complicate them. The narrative around passive investing and passive funds seems to have fallen into that trap. The two most important things for an investor are returns and safety of capital. At the same time, it is commonly believed, and is partially true, that to generate higher returns one might need to take ...
