seller's good or service as distinct from those of other sellers. Brands are used in business, marketing, and advertising for recognition and, importantly, to create and store value as brand equity for the object identified, to the benefit of the brand's customers, its owners and shareholders.

Brand - Wikipedia

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

On January 1, 2023, new international accounting rules for insurance contracts – known as International Financial Reporting Standards (IFRS) 17 – will come into effect. IFRS 17 aims to improve the financial reporting of insurance contracts by mandating a consistent framework across countries, industries and types of insurance contracts.
