Introduction to Natural Resources and Conflict For most of us, conflict over natural resources is not a part of everyday life. We wake up in the morning and turn on the faucets to brush our teeth, shower, and drink a glass of water. We drive to and from work, school, and other activities, stopping every so often to fill up the tank with gas.

Organizers can be quite sophisticated. Some story elements for older students can include: plot, conflict, resolution, theme, atmosphere, rising action, climax, and turning point. For emergent readers, introduce the elements of a story that students are familiar with, such as a favorite fairy tale, and define each element.
