### Portrait Of A Turkish Family

Portrait of a Turkish Family is a gem of a book, and I could not put it down. Told by the eldest son of a wealthy Istanbul family, the story begins in the days of the early 20th century when women wore many jewels (and veils), the family had servants, and there was a large, pleasant garden to sit in drinking coffee.

The red fez was ousted by the cloth cap, and the family was forced to adapt to an unimaginably impoverished life. Filled with brilliant vignettes of old Turkish life, such as the ritual weekly visit to the hamam, as it tells the "other side " of the Gallipoli story, and its impact on one family and the transformation of a nation.

An autobiography, Portrait of a Turkish Family begins with the author at age six, in 1914, and ends with the death of his mother in 1940; most of it covers his childhood in Istanbul, during the First World War, the end of the Ottoman Empire, and the early years of the Turkish Republic. Irfan Orga's account paints a vivid picture of a well-off family declining into poverty.
