He discusses evidence, reference, meaning, intension and truth, with the aim of avoiding common intellectual confusion over efforts to forge links between observation, theory and the world.

Pursuit of Truth: Revised Edition: Amazon.de: Quine, W. V ...

The pursuit of truth is a quest that links observation, theory, and the world. Various faulty efforts to forge such links have led to much intellectual confusion. Quine's efforts to get beyond the confusion begin by rejecting the very idea of binding together word and thing, rejecting the focus on the isolated word.
