Penal Reform International | Promoting fair and effective ...

In late 2018, Congress enacted its most sweeping prison reform legislation in a generation. Formally known as the First Step Act, the law's purpose is to shorten sentences somewhat for particular crimes and improve conditions of incarceration for some inmates as well.. While momentous, the prison reform law deals solely with the federal criminal justice system and has no direct impact on the ...

Sentencing and Prison Reform: The FIRST STEP Act - FindLaw

Multi-jurisdictional research by Linklaters LLP for Penal Reform International assessing the sentencing of women of drug-related offences across 18 countries. Drug policies are known to have a disproportionate impact of women and criminal justice systems generally ignore the complex and unique pathways of women who are convicted of drug-related offences.

Sentencing of women convicted of drug-related offences ...

The United States has the highest incarceration rate in the world. In 2015, approximately 2.2 million people were in adult correctional jails and prisons around the United States. Many thousands of people, particularly people of color, are cycled in and out of state jails or prisons every day. Extreme sentencing laws and practices are keeping people in prisons for far longer

The Prison System - Reform

reform. Effective prison reform is dependent on the improvement and rationalisation of criminal justice policies, including crime prevention and sentencing policies, and on the care and treatment made available to vulnerable groups in the community. Reform of the prison system should therefore always take into

Prison Reform and Alternatives to Imprisonment

The initiative is a unique collaboration of London Prisons Mission, Prison Reform Trust, the Church of St Martins in the Fields and HMP & YO1 Bronzefield. It is calling for urgent action by actors across the criminal justice system to combat failings that result in 6 in 10 women released from prison, many of them suffering from multiple vulnerabilities, without access to safe and secure housing.

Prison Reform Trust creating a just, humane and effective ...

Prison officers have shared with me that the prison system is sorely lacking in medical personnel. To battle Covid-19 and to ensure improved health conditions in the prison system, an appropriate sum of allocation should be given to the Prison Department to engage extra medical and auxiliary medical personnel to compliment the existing but limited medical personnel in detention facilities.
