Learn more about using the public library to get free Kindle books if you'd like more information on how the process works.

Somchem Hand Loading Manual

Handloading, or reloading, is the process of making firearm cartridges and by assembling the individual components (case, primer, propellant, and projectile), rather than purchasing mass-assembled, factory-loaded ammunition. The term handloading is the more general term, and refers generically to the manual assembly of ammunition.Reloadng refers more specifically to handloading using ...
