Primitive Rhythm Machine which was released in 1995. The sound of the album is really nasty and messy with a tribal-percussion to it. Musically, Steve mixed all the styles Mortification had played in the past, death metal, thrash metal and groove metal.

Mortification (band) - Wikipedia

Sudden cardiac death (SCD) is a sudden, unexpected death caused by loss of heart function (sudden cardiac arrest). Sudden cardiac death is the largest cause of natural death in the United States, causing about 325,000 adult deaths in the United States each year. Sudden cardiac death is responsible for half of all heart disease deaths.

The Significance of Shiva's Dance . This cosmic dance of Shiva is called 'Anandatandava,' meaning the Dance of Bliss, and symbolizes the cosmic cycles of creation and destruction, as well as the daily rhythm of birth and death. The dance is a pictorial allegory of the five principle manifestations of eternal energy—creation, destruction, preservation, salvation, and illusion.

Background: Atrial fibrillation is frequently asymptomatic and thus underdetected but is associated with stroke, heart failure, and death. Existing screening methods require prolonged monitoring and are limited by cost and low yield. We aimed to develop a rapid, inexpensive, point-of-care means of identifying patients with atrial fibrillation using machine learning.
