The right to keep and bear arms for the common defense, is a great political right. It respects the citizens on the one hand, and the rulers on the other; and although this right must be inviolably preserved, it does not follow that the legislature is prohibited from passing laws regulating the manner in which these arms may be employed.

List of firearm court cases in the United States - Wikipedia

The historical background the right to keep and bear arms is illuminating and demonstrates its development over time. The right to protect yourself and family and tribe is old as humanity. The right to protect yourself and family against tyranny of various stripes, including government, developed later and only in the seventeenth century appeared as a legal right.
