Writing a book report may not seem fun at first, but it gives you a great chance to really understand a work and its author. Unlike a book review, a book report requires that you give a straightforward summary of the text. Your first step is to pick up the book and start reading. Take detailed notes and annotations as you go along.

1 Every art and every inquiry, and similarly every action and pursuit, is thought to aim at some good; and for this reason the good has rightly been declared to be that at which all things aim. But a certain difference is found among ends; some are activities, others are products apart from the activities that produce them. Where there are ends apart from the actions, it is the nature of the ...

humming. But this is a very hostile and aggressive position. One might hope for bad things to rain down on a person like this. 3 For me and most of the other writers I know, writing is not rapturous. In fact, the only way I can get anything written at all is to write really, really shitty first drafts.
