The Spanish colonization of the Americas began under the Crown of Castile and was spearheaded by the Spanish conquistadors. The Americas were invaded and incorporated into the Spanish Empire, with the exception of Brazil, British America, and some small regions of South America and the Caribbean. The crown created civil and religious structures to administer the vast territory.

The Empire of Liberty is a theme developed first by Thomas Jefferson to identify the responsibility of the United States to spread freedom across the world. Jefferson saw the mission of the U.S. in terms of setting an example, expansion into western North America, and by intervention abroad. Major exponents of the theme have been James Monroe (and his Monroe

The archeology of the Americas shows that we need to question almost everything that we have been taught. It is taught that the Indians cross the land bridge at Beringia during the last ice age (13,000 years ago,) and then descended South using a narrow strip of land near the current Continental Divide which did not ice over some 12, 000 years ago.
