BOOK

All this brings me to Carlyle King's Introduction to Wild Geese, Martha Ostenso's big book, which I reread just yesterday. The intro first appeared when Wild Geese joined the NCL in 1961, and was reprinted until 1996, when it was replaced with an afterword by David Arnason. Thirty-five years. I first read

Biparental care and long-lasting family bonds in geese are likely to affect the costs and benefits of adoption. Most hypotheses that have been proposed to explain this behaviour assume that the separation of the gosling from its original family is accidental, and that adoption forms the 'best of a bad job' solution.
